TIMES CHANGE. ETHICS DON'T.

Gallagher has been named one of the 2020 World's Most Ethical Companies® — nine years running.

For the past nine years, we've been recognized for our commitment to operating at the highest standards of ethical behavior. We're the only broker to have been given this honor. It's a reflection of the way we look after businesses, communities and people across the globe.

EXPERTISE. ETHICS. EXCELLENCE.

As Gallagher grows, we're not getting bigger. We're getting closer. Closer to our clients and where you need us to be. We bring an unmatched level of experience and industry knowledge. A reputation for doing the right thing earned day by day for nearly a century. And a client-centric worldview that informs every action we take.

Gallagher provides insurance, risk management and consultation services for our clients in response to both known and unknown risk exposures. When providing analysis and recommendations regarding potential insurance coverage, potential claims and/or operational strategy in response to national emergencies (including health crises), we do so from an insurance/risk management perspective, and offer broad information about risk mitigation, loss control strategy and potential claim exposures.
