

Teladoc™

Member Cost Share Waived!
~ Through October 31st ~

Through October 31, 2020, Florida Blue will be waiving all member cost share associated with the telemedicine benefit through Teladoc™.

Employees and dependents covered under the MCPS Florida Blue health insurance can utilize Teladoc™ at no cost* to receive treatment for many medical conditions. Teladoc™ physicians can diagnose cold & flu symptoms, allergies, ear infections, respiratory illness, and much more!

Key Features

Talk to a board-certified physician anywhere, anytime without visiting the Dr.'s office

A network of doctors available to treat every member of the family

Receive quality care via phone, video, or mobile app... no office visit needed

Prescriptions sent to a pharmacy of your choice, if medically necessary

Prompt treatment with an average call back time of 10 minutes or less

Member Responsibility:
Member cost share is waived through October 31, 2020.
