

Taking a Course Survey on TNL - Instructional Personnel

Go to the employee desktop,

Click on MCPS Professional Growth System (TNL) icon,

On your TNL home page, click on the Professional Development Tab,

Go down to the blue bar for Course Surveys,

Click on Take Survey (on left side of screen),

Then click on Take the survey (middle of screen).

As you finish a section, you'll be directed to click on a button for the next section.

When complete, you can click on Return to my courses (or whatever it says there).

NOTE:

If the TNL icon is not on the employee desktop or does not work, you can log on directly to the TNL website at the following address: <https://mymarion.truenorthlogic.com>

The username is your MCPS username and the password is your Employee ID# when logging in this way.
