# Teladoc™

## *Telemedicine Benefit*

Effective August 1, 2019, employees and their dependents covered under the MCPS-Florida Blue health insurance policy are eligible to enroll in the new telemedicine benefit through Teladoc™.

Teladoc™ provides 24/7/365 access to acute care by utilizing board-certified physicians through telemedicine. Members can receive treatment for many medical conditions, including cold & flu symptoms, allergies, ear infections, respiratory illness, dermatologic issues, and more!

### Key Features

Talk to a board-certified physician anywhere, anytime without visiting the Dr.'s office

A network of doctors available to treat every member of the family

Receive quality care via phone, video, or mobile app... no office visit needed

Prescriptions sent to a pharmacy of your choice, if medically necessary

Prompt treatment with an average call back time of 10 minutes or less

**Member Responsibility:**  
Plans 1, 3, & 4: \$10/Consult  
Plan 2: Approximately \$42/Consult

**Visit [Teladoc.com](http://Teladoc.com) to register today!**
